1963 SwissVallah

Sing the praise of Swissvale High School With her gold and blue; May her emblem stand forever Glorious to view.

1

May the students and alumni,
Loyal and so true;
Ever bring her fame and honor
By the things they do.

111

Hail to thee our ALMA MATER, Mother of true men; May each fond and loving student, Sing her praise again.

Chorus

Lift her praises up together
Hang her banner high;
Hail to thee our ALMA MATER,
Hail to Swissvale High.

At last! I thought that bell would never ring!

Oh, come on Mr. Cervi. How much more of this do we have to go through?

STUDYING ISN'T ALL THAT'S

Take a milk break three times a day!

The between-class rush is on!

What's this-a praise to Allah or a cheer?

DONE IN OUR SPARE TIME.

Add a little more salt to the soup, please.

Mr. Cervi crowns Franny Perry Queen of the 1962 Christmas Formal.

The senior members of the Varsity Club proudly display their new jackets.

Danger in the physics lab—junior geniuses at work.

The quick brown fox jamps over the lazy dgo . . . DARN!!!

Twenty-three (puff), twenty-four (groan), twenty-five (puff) . . .

What big red eyes you have, Grandma Fruitfly!

THE LEADERS WHO HELP US

Dr. Dannels has a long and successful background at Swissvale. He began his work here as principal of Dickson Junior High. This was followed by his being elected principal of Swissvale High and then, in July, 1962, he was made Superintendent of the Swissvale School District. Dr. Dannels was graduated from Enon Valley High School and then Grove City College, where he received the Bachelor of Science degree. Following attendance at the University of Pittsburgh's graduate school, he was awarded the degree of Doctor of Education.

Although Dr. Dannels's primary interest is in the successful operation of Swissvale schools, the Swissvalian staff appreciates his interest in and support of the yearbook.

ADMINISTRATION

WILLARD L. CURRY, M.Ed.

TO REACH OUR LIFE GOAL

Swissvale High is very lucky to have Mr. Curry as their new principal. A graduate of East McKeesport High School, Mr. Curry lettered in four sports, which helps to explain his interest in sports at Swissvale. He furthered his education at the University of Pittsburgh, where he received the degree of Master of Education. He did his part in protecting our country as an air navigator in World War II. Afterward he became physical education teacher and then principal at Woodlawn Junior High School in Munhall. We hope that Mr. Curry will stay at SHS for a long time.

Members of the Board of Education are, seated: Dr. Roy M. Smith, Charles J. Wright, Jr., vice-president; Dr. Rex H. Newton, president; Dorothy G. Petrovsky, secretary. Standing: William D. Sutman, David V. Connor, Dr. Francis A. Whalen. Missing from picture: George W. Dunay; John R. Smith, solicitor.

WE LOOK TO THE FUTURE AS WE THINK OF THE PAST

Casting glances at our past twelve years,
Living them over 'mid laughter and tears,
All these things are what we'll remember:
Shorthand, Chemistry and icy December.
Spending months on The Scarlet Letter,
(Our teacher thought it would make us better.)

Of course, it wasn't always work and books, For familiar couples were seen in shady nooks.

Styles were new, collegiate, and cool,
Including knee socks and kilts of wool.

X-over's, as sophomores, impressed on our mind
That we, in geometry, were far behind.

Yes, these were typical of our school days.

(And now we ARE better in numerous ways.)

This has all changed now—we're on our way
Hastening to meet the world—not wasting a day.
Relieved that it's over, yet sad to go;
Experience was our teacher—sometimes our foe.
Ever and ever in our hearts you'll live.
(To thee, dear Swissvale, our thanks we give!)

—BY PARTICIPATING IN VARIOUS ACTIVITIES

The first of this year's Y-Teen Club activities was of a spiritual nature—the Candlelight Service. It was at this time that new members were received and their pledges as a Y-Teen made. Next came the "Foot Stomping Party," a very successful "first" in the club. The proceeds from this dance financed a Christmas gift for a hospitalized high school girl. The girls enjoyed playing Santa Claus, but as the seasons passed, so did the girls' activities, and they welcomed the coming of St. Valentine's Day and their annual "Sweetheart Ball." The gains made by this cooperative effort, along with those of the traditional Chicken Dinner, enabled the club to award several scholarships at the end of the year.

Mrs. Ponting, adviser; Connie Yankura, treasurer; Carol Hollstein, secretary; Marilyn Morgan, vice-president; Irene Begg, president.

Flashing batons—high stepping legs—colorful costumes—sparkling smiles—introduce none other than our award winning Swiss Misses.

These girls are noted for their split-timing precision, intricate twirling routines, and novel dances which make them stand out from the average high school majorette line. Copping victories and honors in parades and twirling contests throughout the tri-state area, the majorettes have made Swissvale proud of them.

VALISTIC

BROKEN MACHINES: BROKEN PROMISES; FRAYED TEMPERS; FRAYED NERVES

The scene in Room II for about two weeks before an issue comes out is a hectic, sometimes muddled affair. The editors diligently verify assignments, the typists urgently peck away at the keys of their machines, and the artists, with stylus in hand, create clever illustrations. However, the finished product is rewarding enough for all the tedious work.

Sandi Ghrist, editor-in-chief, is seen in a familiar pose.

Swiss valian

Many hours of hard work, late suppers, and nailbiting went into making our 1963 SWISSVALIAN. Every Monday, Wednesday, and Friday after school the light could be seen burning in Room 19.

Greatly aiding the publication of the SWISS-VALIAN were the efforts put forth by all the editors and by our faithful helpers Barbara Boyd, Kathy Neumont, and Miss Naomi Sternat.

Although there were many trying problems accompanying this book, they all had disappeared when the final copies were handed to the excited students.

SWISSVALE'S FLASHES— ALLE-MON CHAMPS

Swissvale's 8 and I mark was their best record in many years. Some of their victories included North Braddock Scott, a team which they had never before beaten, and undefeated Homestead. The Flashes showed their offensive power in beating Thomas Jefferson 39 to 7 and Blairsville 48 to 6. Their only loss was a tough 20 to 9 decision at the hands of Turtle Creek. The Flashes also won the Alle-Mon Conference with a record of four victories and one loss.

SENIOR PLAYERS

DENNIS PAPULA—2 year letterman; 6', 170 lb.; played oftensive tackle and defensive end for the Flashes. He was a tough player, which he proved when he grabbed a blocked punt and ran for a TD. He was elected to the Alle-Mon Team and the Post-Gazette All Star Team.

PAUL NEFF—2 year letterman; 6', 180 lb.; played offensive guard and defensive middle guard. Paul was a tough competitor and his fierce blocking opened many holes in the enemy line. His sure tackling was a mainstay of the defensive line.

ED CATONE—I year letterman; 6'3", 215 lb.; was a versatile player who played end and tackle on both offense and defense. His agility and speed helped to bring down many an enemy player. These factors plus his team spirit and desire to win made Ed a great player.

WAYNE OLEXA—I year letterman; 6'4", 170 lb.; played offensive end and defensive halfback. His sensational catches thrilled the crowds. He broke his leg in the last game but was still rewarded for his playing by receiving a spot on the Post-Gazette All Star Team.

ANTHONY PANAIA—3 year letterman; 5'10", 170 lb.; was co-captain of the team this season. He played quarterback on offense and corner linebacker on defense. He could handle and pass the ball with great ability and could be counted on for that extra yard when needed.

BOB KROPP—2 year letterman; 6', 175 lb.; was the kicker for the Flashes and sometimes played offensive end. He proved to be one of the best kickers ever to play on Dickson Field with two successful field goals. He was also good to have as a sub end with his speed.

BILL DeLUCIA—2 year letterman; 6', 170 lb.; played offensive end and aside from his pass catching ability he was a very capable blocker. His great receptions brought us many a first down. He also played defensive end and was a great asset to the Flashes.

WILLIE WILKENS—2 year letterman; 6'1", 170 lb.; was a line-backer. He was one of the fastest men on the team and had nerve to go with his speed. He could be depended on to fill a gap when needed, and this and his ability to tackle well made him a great player.

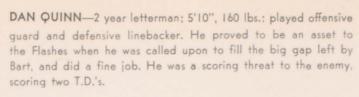

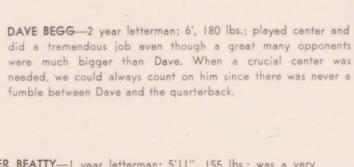

TOM CHUNKO—3 year letterman; 6'1", 225 lbs.; was co-captain of the team this season. He played offensive and defensive tackle. His hard tackling and bruising blocking both proved to be great assets to the winning of games. He was a big man and a fierce competitor.

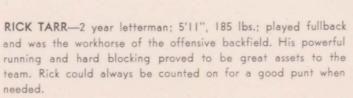

RICH HUDALE—I year letterman; 5'7", 150 lbs.; played half-back on both offense and defense. He was a good man to have on the team because of his undaunted team spirit and ability to do the job when he was called upon to fill any position on the squad.

ELMER BEATTY—I year letterman; 5'II", 155 lbs.; was a very adept player whose talents were used in every position in the backfield. His desire and speed were two of his greatest assets. He is one of the many players whose presence in the line will be missed next year.

STEVE CHIZMAR—I year letterman; 6', 175 lbs.; played offensive end. His terrific team spirit and his great desire to play have contributed to the fact that he was a good man to have on the team. He could fill in at either end and he did whenever he was needed.

BART MELE—2 year letterman; 5'9", 185 lbs.; played middle guard. Lady Luck hasn't been with Bart; in his junior year, he broke his arm during practice and this year, at the Scott game, he received a concussion. Due to his injury, he is pictured here holding the team trophy rather than wearing his uniform.

Co-captain Connie Yankura

Substitute cheerleaders: Barbara Martinich and Sharon Thomas.

BASKETBALL_FOULS! JUMPS! BASKETS!

SENIOR PLAYERS

WAYNE OLEXA—6'4: 175 lb.: three year letterman. Wayne was high scorer of last year's Flashes and was counted upon heavily for this year's team. Wayne broke his leg in the last football game and was out for the season. He was sorely missed in the lineup.

ED CATONE—6'3; 225 lb.; three year letterman. Ed was this year's top scorer and rebounder; although he was shorter than many of his opponents, he was a rugged board man. His offensive ability was also evident when he scored 30 points in one game this year.

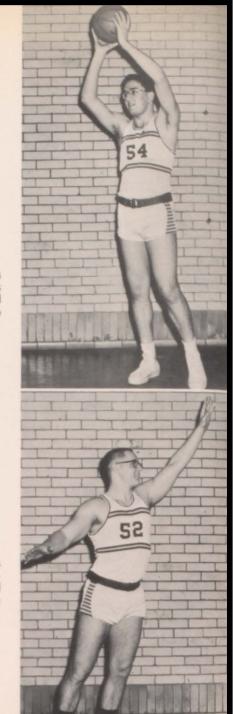

RICHARD HUDALE—5'8; 145 lb.; one year letterman. In his first year on the varsity, Rich showed good scoring ability. He could always be counted on to come into the game and score some quick baskets. Rich was a real hustler on the defensive, also.

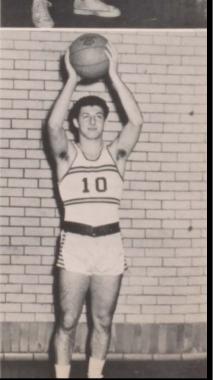

JIM WERTZ—6'1; 205 lb.; three year letterman. Jim was a valuable man to have around. He was a good rebounder and used his size to gain advantage. He could always be counted on to give his best, especially when the going got rough.

STEVE GETSY—6'; 165 lb.; two year letterman. Steve was a good shot and ball handler and added to the bench-strength of the Flashes. He was a real hustler and gave his utmost in each and every game. His steady play will be missed next year.

ANTHONY PANAIA—5'9; 165 lb.; three year letterman. Neenie was the field general of the Flashes and also one of the top scorers. He gave everything he had in every game and his presence will be missed in the Flashes' next year's lineup.

RICHARD LIGHTNER—6'2; 175 lb.; one year letterman. This year was Dick's first on the Varsity; he showed good rebounding and scoring ability. He could always be counted on to fill in when needed and was a good man to have available.

GOLF

THOSE WHO FOLLOW THE CALL OF THE FAIRWAYS

The Swissvale High Golf Team had a very successful season in 1962 with a 7 and 3 record. The team played consistent golf throughout the year. Their matches against Wilkinsburg and Springdale were tied at the end of eighteen holes and had to be decided in sudden-death playoffs.

Although the team lacked experience in having three sophomores and two juniors, our golfers beat every opposing team at least once with the exception of Penn Hills, who beat the Flashes both times. The team's home course is at the beautiful Willowbrook Country Club in Apollo, Pennsylvania. They also play at the Alcoma, Churchill, and Edgewood Country Clubs. This year's scores are unavailable because of the lateness of the season, but our team is one of which Swissvale can be proud. Mr. Edward Grottenthaler sponsors the team.

GENERAL CONTRACTOR

Until now, most all of the important decisions in your life have been made by someone else. You didn't select the neighborhood you live in. You didn't select the schools you attended. You didn't have too much to say about the things you studied or the work you had to do. And, of course, you didn't select your family.

All that starts to change now. When you graduate, *you* become your own decision maker. You decide about starting a family, about school, where you'll live, where you'll work.

When you make a decision about work, we urge you to first consider the opportunities at Union Switch & Signal. While you are working and earning, you can take advantage of Union Switch & Signal's educational program and earn a degree at one of the local universities.

College engineering graduates have tremendous opportunities in Union Switch & Signal's newly modernized research laboratories equipped with all facilities and instrumentation for present and future research and development requirements. Engineers at Union Switch & Signal work with components for space vehicles, railway signal control systems, remote control systems for pipelines, and many other projects for the steel and mining industries. These men can also further their education and earn masters' and doctors' degrees with company financial support.

Union Switch & Signal also offers fine opportunities for high school girl graduates interested in secretarial and clerical work.

Union Switch & Signal is known throughout the world for its accomplishments in the rapidly growing fields of electronics and automation. We'd like to have you know our company and share our growth.
