

In appreciation of her twenty-one and one half years of fine service at Swissvale High School, the 1968 "Swissvalian" staff dedicates this book to Mrs. Emily Nash Baily. Mrs. Baily will long be remembered by her students as a teacher who learned and laughed with her classes. Her wealth of knowledge, supplemented by extensive world travel, interested and motivated her English classes. The "Swissvalian" staff, the faculty, and the student body thank Mrs. Baily for her years of outstanding service, and wish for the future students of SHS a teacher as fine as Mrs. Baily, and for Mrs. Baily a bright and successful future.

These halls have a magic meaning for each student of Swissvale High School. To some, they may stand for crowds, talking and pushing, while for others, they may be symbolic of gained knowledge, friendships, or even failure. No matter what unique emotion they stir within you, these are the halls of opportunity and their doors are open to anyone who wishes to enter.

Pep Club Supports Flashes

OFFICERS—l. to r.: D. Clougherty, Vice President; D. Pascarella, Treasurer; J. Bossinger, Secretary; A. Bon, President.

Support of our team, whether in defeat or victory, is the goal of this organization, and never has this goal been so highly strived for as it was this year. The club showed exceptional spirit and vitality in their activities. These included weekly skits for pep rallies and "spirit signs" throughout the building. A great deal of hard work and effort by the members of this club added up to make this sports season a success.

Varsity Club Members Excel In All Sports

Lettermen from all the interscholastic sports participated in by Swissvale Area Joint High School students constitute the Varsity Club. For their contributions and achievements in WPIAL competition, the senior members are honored with a jacket purchased from funds raised by the club throughout the year. These funds are also used to sponsor a project of benefit to the school. This year

the Varsity Club presented a new screen for the auditorium.

In addition to the jackets, a Most Unselfish Senior Award is given. This award is based on the player's overall ability, leadership, and willingness to sacrifice for his team's welfare. Richard McCann was the recipient of this award for 1967-1968.

Bowling and Chess Clubs Provide Competition

Though scores and averages are not always high, the spirit and hopes of this lively group are. Competition is supplied by eight teams, consisting of approximately four members, on a basis of equal totals. If it is needed, a team is given an equalizing handicap in the interest of fair play. Their dual purpose of having fun and fostering sportsmanship is well achieved through intra-team competition.

The Chess Club has three main purposes: to spread the interest of chess, to provide the opportunity for members to improve their game, and to provide a school activity which offers all students a recreational outlet without regard to physical ability. The matches are set up by an executive committee. Our Chess Club enters competition in the Interscholastic Chess League of Pittsburgh.

Career Clubs Prepare for Future

The Future Teachers of America is an organization which seeks to enable its members to enter the teaching profession in the future. This year, as in the past, the F.T.A. sponsored several activities. One of the most important was their regular visit to a college. "Senior Day" is the day which both the teachers and the members await most eagerly. On this day, the teachers are given a rest while the F.T.A. members teach their classes.

The main purpose of the F.N.A. is to encourage interest in the nursing profession. Some of the activities in which they engage are helping physically handicapped persons, providing knowledge of hospitals through organized tours and volunteer work, and providing speakers from the health professions. By belonging, students hope to learn more about nursing, how to apply to hospitals and what to expect in the nursing profession.

Adele Bon serves capably as president of Y-Teens.

The Y-Teens of Swissvale Area High School are a hard-working, active group of young girls. The Young Women's Christian Association is composed of women and girls of diverse experiences and faiths. Therefore, their lives may be opened to new understandings and deeper relationships. Together, they may join in the struggle for peace and justice, freedom and dignity for all people. In each individual there is a striving to reach a goal, to grow as a person in friendship with people of all races, religions, and nationalities, and also in the knowledge and love of God.

The activities of the group begin in the fall with the candlelight service to initiate the girls and to inform them of the club's purpose and goals. Some of their activities throughout the year were attending a Christmas program at the Wilkinsburg YWCA to help with the hanging of the greens, a pajama party at the YWCA, various speakers at the meetings, and finally, the annual Sweetheart Ball.

Thespians and Stage Crew Combine Talents To Produce Plays

Bottom to Top: R. Baldt, K. Horvath, D. Halchak, J. Simko, R. Villiotti, L. Hoener, D. Wisnewski, J. Valentine, R. Iovino.

Troupe 895 of the National Thespian Society was established to encourage the students of S.H.S. to attain a better mastery of language, to develop poise and self-control, and to appreciate dramatic works and their techniques. The Troupe is composed of students who have appeared in either the Junior or Senior class plays. Trips to dramatic productions in the Pittsburgh area, an evening of presenting one act plays to the public, and an initiation ceremony for new members each semester are a few of their many activities. An outburst of applause from the audience is the chief aim and reward for any member of the Troupe.

The Stage Crew performs the backstage duties which enable various types of school productions to be more professional and successful. Their main job is to build and paint the scenery for the dramatic productions. The stage crew does more for the school by helping with the assembly programs and being in charge of the P.A. system in the auditorium.

Mr. Kirby!-Are you hurt?

"You Can't Take It With You" is a story of two families: the mad Sycamores, who manufacture fireworks, evade income taxes, raise snakes and write plays; and the Kirbys, who are more conventional. Tony, the attractive young son of the Kirbys, falls in love with Alice Sycamore and brings his parents to dine at the Sycamore home on the wrong evening. The shock sustained by the Kirbys, who are invited to eat cheap food, and are exposed to snakes, fireworks and eventually spend the night in jail, shows Alice that marriage to Tony is out of the question. However, thanks to wise words from old Grandpa, both families come to accept each other, Alice and Tony get back together, and Mr. Kirby even joins in on a little of the Sycamore madness.

Stay right where you are, everybody.

When I see snakes, it's time to lay down.

Harmony Resounds Through S. H. S.

New Vocal Director, Mr. Caruso, conducts an inspiring performance.

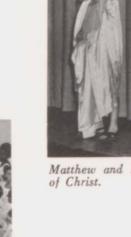

Swissvale High's Choir, consisting of 94 students, has been active this year under their new director, Mr. Thomas Caruso. At Christmas, a special program was presented by both the junior and senior high choirs with accompaniment by the band on special selections. The Christmas show was ended reverently with the presentation of the Nativity scene by the students. Some of the choir's other outstanding performances were at Open House and the annual Spring Festival. Attending "Camelot," "Kiss Me Kate," and "The Messiah" were a few of their numerous field trips.

THE CHRISTMAS PROGRAM commences with a selection by the band.

The processional of the choirs is an inspiring spectacle.

Matthew and Luke announce the coming of Christ.

The girls' ensemble presents a Christ mas cantata.

The senior high choir sings of the joy of Christmas.

The nativity scene ends the program on a solemn note.

Three young men and three young women, wouldbe stage folk, decide to share an apartment in New York due to lack of economic security. As part of a plan to "be discovered," they rent an apartment immediately above that of a Broadway producer who has a hit running and is about to cast a road company. It so happens that the producer is an amateur chef, and right in the middle of a culinary concoction, he runs out of flour. He comes upstairs to borrow a cup. At last the kids have him in the apartment, and they aren't going to let him out until he sees some evidence of their ability. So, to impress him, they stage a murder scene. It is so realistic that the police and the landlady swarm to the scene. However, in spite of everything, the kids and the producer become friends, the landlady gets her back rent, and it looks as if the future might hold some promise for the young actors.

Swissvalian Preserves A Year's Memories

The yearbook is the climax of the year's activities. Producing a yearbook is a tedious job. Taking pictures, making layouts, writing copy, and drawing pages are only a few of the tasks to be performed. The editors have particular duties also. They select the theme, cover, and type size for this year end publication with the capable guidance of their advisor, Mrs. Haytock.

The staffs must set forth with the idea of utilizing every possibility to make their yearbook different. It is therefore correct to say that all the wit, intelligence, originality, and efficiency of the classes are assembled under one title, the yearbook staff.

The editors and the staffs hope that the "Swiss-valian 68" summarizes the year with a special meaning to each and every student.

The Junior Class is proud to present Miss Patricia Hopwood as its 1968 Prom Queen. Pat, a member of Miss Pringle's Homeroom 1, has been active in a number of activities at SHS. She served as secretary of Student Council in her sophomore year and is a majorette.

This year the prom was held at the popular Adams House in Adamsburg, Pa. Highlight of the evening was the crowning of the Queen. The Mel Rays provided the music for dancing and a buffet supper was served. Mr. Glarner and the Junior homeroom teachers sponsored the dance.

Combination of Talent and Effort Informs Us

Beverly Antol and Russell Fish, Co-Editors of the Valistic, look over a new layout.

In the past years, The Valistic has given the students at S.H.S. experience in journalism. Having a school newspaper gives the students a chance to express their own ideas by working together to publish our fine paper. Originality inspires the staff members to have a variety of news articles and features which are enjoyed by everyone. There is much hard work and time spent behind every issue. The editors must tabulate the assignments and make sure the reporters bring them in on time. Next is the task of laying out the pages and typing the articles. This isn't an easy job, because

you have to check and recheck so that everything is in its proper place. Their advisor, Mrs. Carter, helps this process move more easily with suggestions and assistance as it is needed.

With their experience in publishing a school newspaper, the Valistic Staff learns the fundamentals of making a newspaper: deciding on different articles, distributing assignments, making sure they reach the deadline, and most important, proof-reading. Who Knows? Perhaps in the future, one of our staff members may become a great journalist because of his foundation in the Valistic!

The Spanish Club's purpose is to promote a better understanding and appreciation of the Spanish language and customs. The Club's activities this year included a Halloween dance, Christmas party, visit to Buhl Planetarium, and monthly meetings of the Pittsburgh Spanish Club in Oakland. Their ultimate goal was to establish a student exchange program with South America.

The French Club's purpose is to enliven the study of French for the students outside of the classroom. To become a member, the students must have had at least one year of French. During the Christmas holiday, the Club sang French Christmas Carols for the Children's Hospital. They sold pins and held bake sales in order to raise money for a trip to New York City in the future.

"Quill and Scroll," International Honor Society for High School Journalism, selects a number of outstanding seniors from Swissvale Area High School. This year seven students were initiated at the annual spring ceremony and four students were given Award of Honor Certificates. Those students honored for special contributions to the school's publications were Donna Pascarella and Linda Fabiano of the "Swissvalian" and Ray Parker, Dan Riccobon, and Diane Vavra of the "Valistic."

The National Honor Society is one of the most prominent groups at Swissvale High School. Scholarship, character, leadership, and service are some of the special qualities found in each member selected by the faculty. With these qualities, the members of N.H.S. help to promote better scholastic standards and achievements among the club and their fellow classmates. With this goal, they can help themselves as they help others through their tutoring service offered each year to help the students in their classwork. Throughout the year, they raise money to provide scholarships for the Members to help finance their future education.

Student Council Represents S.H.S.

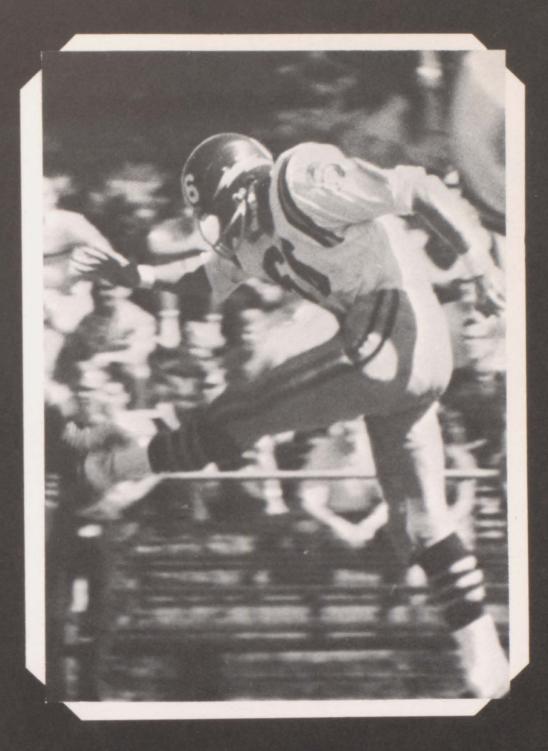

OFFICERS l. to r.—J. Maxwell, Vice-President; B. Cunic, Secretary; V. Sylves, Treasurer; R. Parker, President.

The Student Council is made up of representatives from the Senior, Junior, and Sophomore classes. Their duties are to give the correct training in self-management and citizenship, to stimulate the spirit of cooperation among the students, and to further the general welfare of the school. The Student Council held regular meetings this year with the officers presiding. This year, the Student Council had a petition supporting the Administration's policy in Viet Nam, sponsored the annual intramural championship games, had a suggestion box, and helped the Lions Club collect canned goods. Also, they had an exchange program with West Mifflin South and encouraged the acquisition of new water fountains.

Flashes Fight To Victory

l. to r.: COACHES: H. Jenkins, G. Glarner, A. Koepka, G. Kiger.

This has been "the year of the Flash." In the minds of the student body, the Flashes should have been 9-0, but they finished with an excellent 6-3 record. It all started under the heat of a bright August morning. From August 18 to September 8, Coach Glarner conditioned his team in the skills of passing, blocking, and running. Practice makes perfect and it all paid off against Munhall as the Flashes scored on the last play of the game winning 14-7. Highlighting the first Homecoming and putting the finishing touches on a good season, the Flashes beat favored Southmoreland 7-6. So ended "the year of the Flash" on a bitter cold day in November. The team had come a long way from the heat of the August practice field.

Swissvale ended the '67-'68 season with a team record to be proud of with seven wins and five defeats in league competition. For the first time, the Flashes played four of their league games at the Civic Arena giving the team experience on large courts. In our first year in Class B, we won and lost many games by a margin of a few points. Who could ever forget our thrilling one-point victory over West Mifflin South? Our Flashes gained much experience in the '67-'68 season that will help them in future years.

The '67 Flashes, under the skillful coaching of Mr. Jerry Bejbl in his last year at Swissvale, challenged a fine selection of teams with a young, inexperienced team. The Flashes, with weak hitting and only two pitchers, ended their season with five wins and five losses, including two victories over the section champion team, Penn Hills. With a fine team returning this year, the Flashes' nine promise a fine 1968 season.

Golf teams from area high schools including Gateway, Norwin, Penn Joint, Westinghouse Memorial, and Franklin met with Swissvale's golfers throughout the months of April and May. Matches were held each Tuesday and Friday with these teams at golf courses at Murrysville, Rolling Fields in Trafford, and the Lincoln Hill Country Club. Practice sessions were held several times each week at Cloverleaf and Delmont golf courses. Team members including Crawford and Doug Berthold, Walt Marshall, Tom Vorobok, Dave Hosie, and Ray Kochis returned from the 1967 team and agreed to work hard this year to "win one for Mr. Kiger."

CLASSES

Dr. Vernon C. Patterson Superintendent of Schools

During his second year as Superintendent of Schools, Dr. Vernon C. Patterson was faced with the great responsibility of preparing for the high school evaluation by the Middle Atlantic States Association. As a result of his efforts, many needed improvements were made in our school system. Some of the improvements and additions to our own high school building were a new floor and lights in the auditorium along with chairs and tables which convert it into a lunchroom, two fully-equipped biology labs, and a library which offers books on a great variety of subjects. Many new textbooks have also been purchased. The students and faculty appreciate the caliber of leadership that Dr. Patterson possesses and thank him for his service to our schools.

Numerous Improvements

Mr. Willard L. Curry, Principal of Swissvale Area Joint High School, has devoted many hours of hard work to improve our school and its activities. During his seven years as principal he has had to resolve many problems and this year was unique in that it was an evaluation year. Besides supervising improvements of our building and presiding over the weekly faculty meetings, he serves as a leader and guide for every student in the high school.

"The Mem'ries We Hold So Dear . . ."

On Graduation

The days that once we thought would never end Have gone too fast and soon will be no more. To many peers and teachers we befriend We'll say good-bye and leave behind these doors. The many times we've cheered and urged our team To victory, for honor and for fame, Will soon be but to us a passing dream, For joys like these will never be the same. The mem'ries we hold so dear from childhood days And all we've learned and loved in twelve long years Have filled our minds and hearts in every way And soon will fill our eyes with farewell tears. Commencement ends the lives that we now know, But sends us on to lives that rich may grow.

Evaluation Year A Busy One At SHS

New Biology Labs greeted incoming sophomores.

Miss Sayers, French intern teacher for the second semester, inspects new facilities in the teachers' lunch room.

Weekly teachers' meetings for evaluation were presided over by Mr. Curry.

The school year 1967-1868 was an important one for the administration, faculty, and students at Swissvale Area High School. After preparations lasting almost two years, the school was ready for evaluation. Improvements included two new biology labs, a new library, a new floor, lights, and furniture for the auditorium, fresh paint in the halls, new water fountains, and more extensive audiovisual equipment.

The third week in March, seventeen professional evaluators from the Middle Atlantic States Association inspected our school plant, faculty, and facilities to rate the level of education taking place. All those associated with Swissvale Area High School hope that the evaluation will result in a better educational plan.

Terry Boyd enjoys one of the newly installed water fountains.

Dr. Kelly, President of the Joint School Board, addresses a combined meeting of faculty and evaluators at a banquet at the Quality Court Motel East.

For the past three years all of us in ROOM 15 have enjoyed such things as getting to be good friends, having a great homeroom representative, four actors in the Senior class play and the student director, varsity club and pep club members, a girl on homecoming court, Jonesy's "soul," and great intramural players. But best of all we've shared the

experience of learning together, and boy have we learned!

In all sincerity we want to thank Miss Browne for being so nice and understanding. We think that the "Greatest Homeroom Teacher Award for '66-'67-'68" should go to Miss Browne!

Going away will give us some grief which we know we'll not take easily.

Remembrances will be all that we'll have left and we'll say "Please remember me."

Rambling on this we will leave S.H.S.,

Even though we will know this is true,

Others are going besides all of us,

And we'll all be forgotten soon.

Others will come and sit in our places

Ten will be their room and filled with their faces.

Meaningless we'll be as they fill our old seats,

Teachers won't know us as we pass on the streets.

The sounds of our voices as we walked through the halls

Time will fade and will make them sink into the walls.

Endeavors in which we've succeeded to score

Eventually shall all be remembered no more.

Never again will we walk these halls as we did, and

No longer be students, of us you'll be rid.

Are you sad?

We are glad, and a Farewell We Do Bid!

We the Seniors of ROOM 2, bid a fond farewell to S.H.S. In graduating, we leave behind our lockers and biology room. We were fortunate to have Mr. Spagnola for our Sophomore and Junior homeroom teacher and Mr. Spielman as a great Senior homeroom teacher.

We would like to say good-bye from a great

homeroom—the best homeroom of "66-67-68" for we were champs in both basketball and volleyball during our high school years. We are very proud of having the Junior Prom Queen in our room and also the first runnerup of the homecoming Queen. So once again we would like to say good-bye and thank S.H.S. for the memories we will carry with us.

Find your space age career right in your own back yard

You may associate the term "space age technology" with faraway places like Cape Kennedy, Oak Ridge and Los Alamos. But you'll find the same basic technology being used right here at home—at the Signal & Communications Div. of WABCO. We're working with the most advanced techniques to find better ways of transporting millions of people faster, with more safety and in greater comfort. Lasers, digital computers, microminiature components and other sophisticated equipment are used in our systems for speeding freight, controlling the flow of oil and gas in pipelines and automating urban mass transit.

Will you advance quickly? It's up to you. Our goods are being sold in stable, growing markets. So when you make a decision about your future, we urge you to first consider the opportunities at WABCO. You can learn while you work—our tuition refund program will help you earn an engineering degree.

We also offer the high school girl graduates excellent career opportunities in secretarial, clerical and laboratory technician work.

WABCO is known throughout the world for its accomplishments in the fast-growing fields of electronics and automation. We'd like to have you know our company and share in our growth. Come in and talk to us.

Compiling photos, ideas, and words to form a yearbook is a complicated task, requiring the assistance of several professionals. For technical advice the 1968 "Swissvalian" staff extends appreciation to the Foote and Davies Publishing Company and its representative, Mr. McWilliams. For our cover, thanks are due to the S. K. Smith Company, represented by Mr. Stewart. For the tiring, and often comical hours of photographing, we thank Mr. Phillips, Mr. Agate, and their assistants at the Terrace Arcade Studios, and Mr. Knestaut of the Rasbach Photo Service. We thank Mrs. Buehner, our advertisers, and patrons for the financial section of our book. A special thanks goes to Dan Riccobon for the art work.

To Mrs. Haytock, our advisor, thank you for helping us to organize our ideas, for adding many creative touches of your own, and for making our hours of work enjoyable and rewarding. In conclusion, thank you to each student who is a part of this book of memories, which in the future will be laughed, sighed, or perhaps even cried over. Nevertheless, it will remain a FLASHBACK to Swissvale High School in the year 1968.
