Willard L. Curry
1917-1969

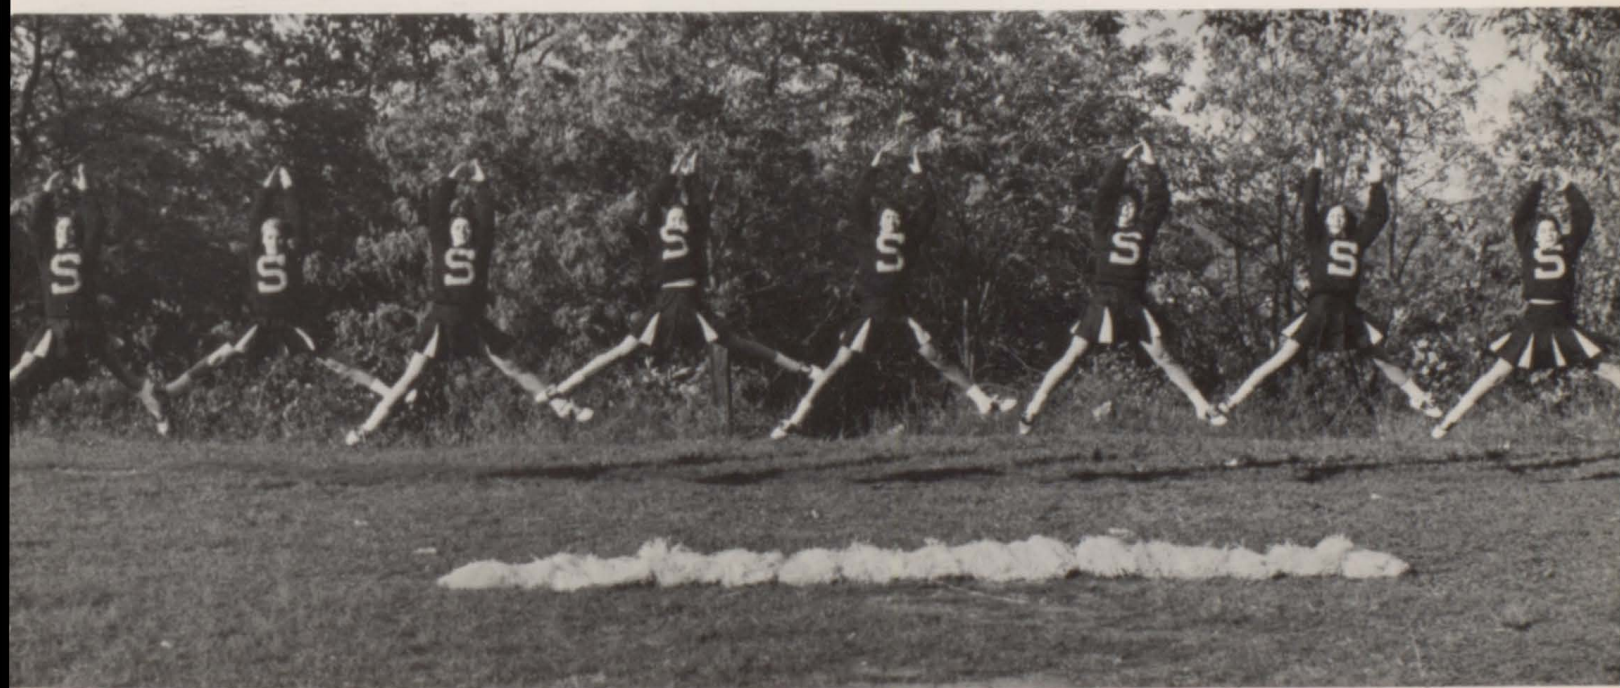

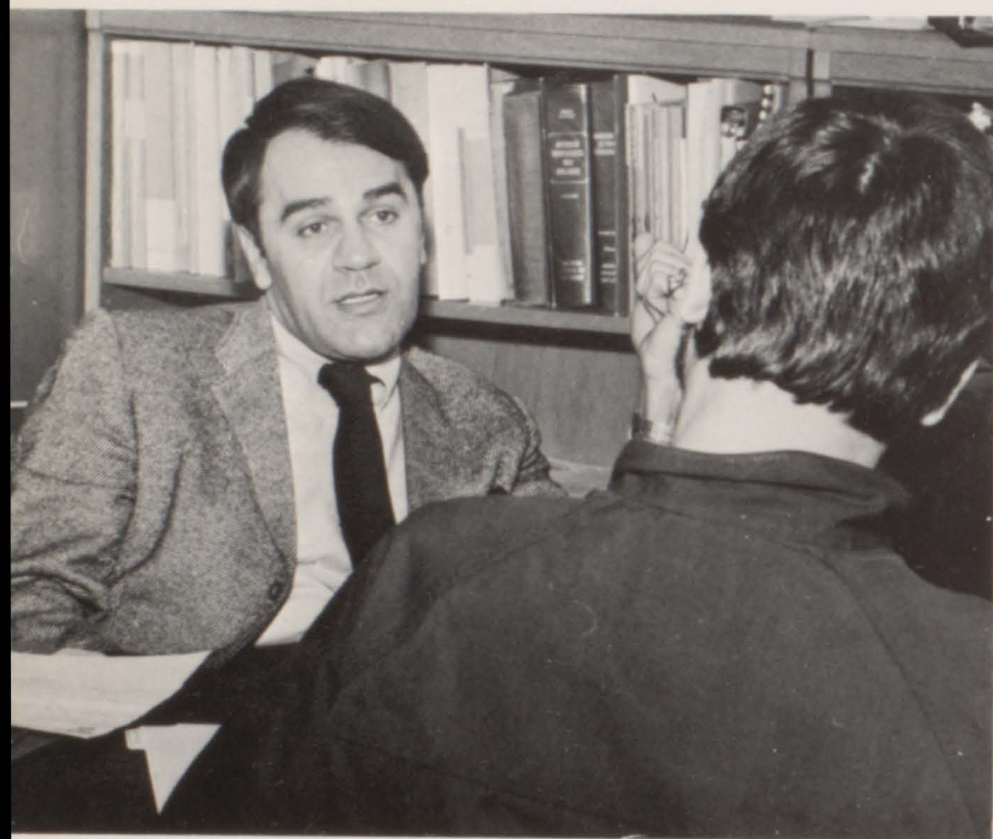

We, the 1970 Swissvalian Staff, would like to dedicate the 50th addition of the Swissvalian to Willard L. Curry which seems like only a small token of appreciation for his vast help and understanding of the student body and faculty. He tried earnestly for the betterment of our school as seen through his loyalty and devotion during the 1967-1968 Evaluation. If we rebelled about the educational policies, Mr. Curry was fair and looked at both sides before passing judgment. Since he considered

the total student body his "kids," he was seen at all activity installations and fund raising affairs. Mr. Curry worked long hours with the Student Council to draft a fair dress code which would be acceptable to both the students and administration. Unfortunately, he never saw this code of dress in use. A strong disciplinarian but always fair, Mr. Curry strived to improve the educational standards of Swissvale Area High School.

How far can a school's Student Council be felt? Swissvale High School's Student Council believes they can be felt around the world . . . and they were through CARE. But a Student Council owes the student body the real fruit of its efforts . . . Homecoming, The Winter Carnival, Intermurals, and the many Dances. Not only did our Student Council help the school and student body with its various programs but in addition aided other clubs to raise funds needed for their many activities.

Senior Class Officers *l. to r.*—G. Dagnus, Sec'y-Tres., J. Fullen, Pres., R. Perry, V. Pres.

Hard work, enthusiasm, and ambition are just a few of the qualities of our class officers at SHS.

The usually silent class officers were heard through SHS this year. The Seniors financed several Senior activities through such functions as a raffle, spaghetti dinner, and a bingo.

The Junior Class Officers attacked the problem of raising money for our now annual After-prom by organizing a Parent-Student Association.

The Sophomores showed their enthusiasm this year by scoring the highest in candy sales and holding bake sales to add money to their treasury for future activities.

Variety Is The Spice Of Sports

The Varsity Club of Swissvale High School consists of boys who are lettermen in at least one of the Inter-Scholastic sports. The club raised money by selling refreshments at the games during basketball season for the purpose of awarding the Senior members with jackets. At the end of the school year, the Varsity Club gave the second annual William "Skip" Cannady award to the most outstanding football player of the 1969 football season. The club was sorry to see Mr. George Glarner leave SHS after twelve years of service but awarded him with a plaque and a cake at the last meeting with him.

Troupe 895 of the National Thespian Society at Swissvale High School has accomplished a year of better understanding and appreciation of the dramatic arts. Through combined talents and effort the Thespians presented "The Curious Savage" and the off-Broadway musical, "The Fantastiks."

N.H.S. Represents Students Of Good Academic Standing

Character, leadership, scholarship, and service are just a few of the qualities the members of the National Honor Society possess. To help promote better scholastic standards is one of the chief goals of the club as well as to provide scholarships for some of the

members who contemplate further education. This year among some of the fund raising projects were bake sales, hot luncheons, and serf day. The NHS also provides a debate team who compete annually with schools from the surrounding area.

The choir achieved much success this year, under the direction of Mr. Stivanson

Displaying the gold and blue colors of SHS this year were the enlightening voices of the glee club and choir members under the direction of Mr. Jay Stivanson. This Year, clothed in new choir robes, the chorus provided much entertainment whether it be at the Christmas assembly, Equitable Gas Co., or at the annual Spring Festival. Mr. Stivanson held enough confidence in his choir to enter them in competition against local high schools in the Carnegie-Awards Competition in May. As the senior choir members leave the corridors of SHS for the last time, they would like to wish the chorus and Mr. Stivanson good luck in the years to come.

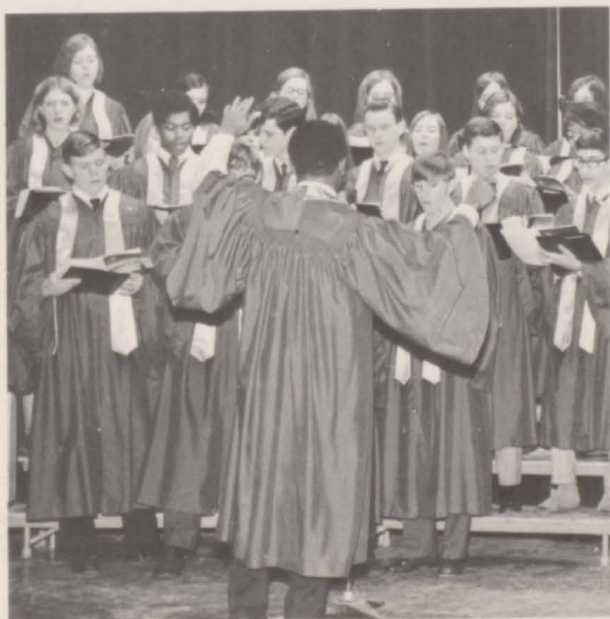

Members of the Glee Club assist the choir at the Christmas Concert.

Work on the Swissvalian starts a year before this momentous book is presented to the students. Many varied ideas on theme, type, style, cover, and paper are discussed among the editors early in the year. When these views are decided upon every staff faces the routine of scheduling pictures, meeting deadlines, and proofreading. The hard work and tiring hours put into the yearbook are well worth the effort when in years to come we will reminisce those memories dear to our hearts.

FTA Acquaints Students

FTA Officers bridge the Education Gap!

With The Teaching Profession

Members of the Future Teachers of America Club at SHS find satisfaction in aiding others to learn. They have fun at the dances, field trips, and meetings, and experience hard work on committees, at bake sales, and in their academic preparation for the teaching profession. This year the club activated under the direction of their advisor, Mrs. Young and under the leadership of Pres., Debbie Napoleon, V. Pres., Bill Croft, Sec'y, Pattie Greb, and Tres., Janice Olson. Whether it be at Penn State, on "Senior Day", or at any other activity, everyone agrees, the FTA strives for fulfillment of a fruitful future.

Ski Club Brings Slopes To Swissvale

The Ski Club, in its first year, has proven itself to be one of the liveliest clubs at S.H.S. Weekly trips to Seven Springs have drawn many students out into the winter air. For the first few weeks, free lessons of the basic skills of skiing were given to all who felt

they needed them. Although most people were on the ground more than they were on the skis, a great time was shared by all. The successfulness of the Ski Club will positively guarantee its return next year to the students of S.H.S.

Co-editors of the Valistic—S. Lowery and J. Yankura.

The student body as well as the faculty may sometimes take for granted the complicated process involved in producing our Valistic.

As we read over the criticisms of the students and the sports and activities articles, we do not realize how the various staffs are racking their brains while covering all the events and in the meantime making them enjoyable and interesting. Next, the editors have to proof-read all the articles collected. The typists then type a rough draft and make a master copy of all information gathered in order to produce a dummy copy. Final artistic additions are then made by the art staff. A deadline is given to the entire staff so that the paper will be sent to the printer on time in order for us, the students and faculty to receive it on time.

This year, Mrs. Carter and Mrs. Pfeiffer sponsored and supervised the Valistic. The entire staff should be commended for their valuable time spent in producing a fine paper.

Being a part of the French Club, enables each member to become more aware of the French culture in relationship to the French language which they have studied under Mrs. Arnold, the club sponsor. Among their fund raising activities was a dance held in the fall with refreshments and live entertainment. Girls of the French Club who learned a Can-can routine were a big success. They also participated in the Winter Carnival sponsored by the Student Council. The funds raised will be used for future activities sponsored by the club. Through an understanding of the French language, the French Club can promote a more extensive communication program if not with the student body with the members of the club.

Through extensive, careful planning, the Spanish Club organized a successful program to present at Buhl Planetarium, an annual affair where schools from the surrounding area are represented. The Spanish Club should be commended for their outstanding performance in spreading communication of Spanish not only in the past but for their future projects.

To promote peace and brotherhood are among the many goals the world-wide Y-Teen organization possess. This year among their many service projects, the Y-Teens held a Thanksgiving Dance with canned goods as contributions in order to feed needy families and at Christmas had a clothing drive to give the poor gifts to receive. But the Y-Teens also shared in club and district activities such as their Candlelight, where all members are initiated and the Hanging Of The Greens, held at Christmas. As always, the Y-Teens carefully planned their annual Sweetheart Ball, under the supervision of Miss Srdock, their sponsor, which was held at Newmeyer School in order to raise money for scholarships. Through their strenuous efforts, the Y-Teens not only helped the students but also added to the well-being of our community.

Assistants Warrant Recognition

The Office and Library Aides at SHS give unselfishly of their time and effort in order to aid the school in functioning smoothly.

By keeping them informed, the office aides help the faculty by taking messages, and delivering supplies and forgotten lunches. The office training they are receiving will be a valuable asset to many of the girls as

members of the business world.

The library aides have learned many skills such as filing, checking out, and repairing books. Keeping informed on current authors and their works will be a meaningful part of their education at SHS. Since our library has been a recent addition to our school, it is really a privilege to work in such modern facilities.

Library Aides—1st row—l. to r.—P. Safran, E. Battaglia, A. Farnish, N. Anthony, R. Epps, M. Escher, E. Chuchko. 2nd row—M. Mele, D. Falk, D. Treemarchi, S. Lipski, J. Lovas, Mrs. Reznick, Librarian, J. Fazio, D. Benson, D. Holleran, L. Hawthorne.

IN MEMORIAM

William Cannady
1952-1968

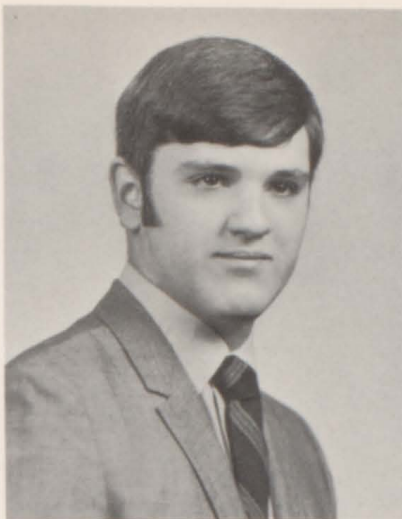

Hey Skip! Get up won't ya please?
You knocked him down right on his knees.
Man, you really hit him hard, kid
Yeah man, you put him in his place,
You shoved that ball clear into his face.
Come on get up "Willy" we'll get 'im next play.
Hey Coach! What's wrong? Why are they
taking Skip away?
We need him to win, man, he's fire today.
Did you see the way he blocked that run?
This is his game, it's not just for fun.
He's doing this for his school, for SHS.
Bring him back, oh Coach, to fight again.
I don't understand, where are they taking him?
He'll be ok; he just got the wind knocked out
of him, right?
Answer me, man, he's ok? Sure Skip's ok.

I'll bet they'll be bringing him back any
minute now to join the fight.
It sure is cold out here, man, and our team
looks so small.
Boy, I'll betcha if Skip were here we'd look
twice as tall.
The game's almost over now and the score's
still the same
Six for them and none for us; hey, man, we
can't let them win this game.
Hey Coach, what are you talking about; he'll
be alright.
Yeah, nothing can hurt old Skip, man
You should have seen that last play
He hit hard, and then went away.

During his four years as Superintendent, Dr. Patterson has achieved many of his major goals for the High School: a new floor and lights in the auditorium, two new Biology labs, a new language lab, a new Library in the High School which offers current books on a wide variety of subjects, and many up-to-date books for the classrooms. This is his last year at Swissvale, and the students would like to thank him for all of his improvements and wish him the best of luck in his future endeavors.

In Memoriam

Starr A. Garafolo
1953 — 1969

She closed the door on yesterday—
Its sorrows and mistakes;
She locked within its gloomy walls
Past failures and heartaches.
She threw the key away
To seek another room,
And furnish it with hope and smiles,
And every springtime bloom—
She shut the door on yesterday
And threw the key away—
Tomorrow holds no fears for her.
She has found eternal day.

Although our Gold Flashes did not finish the season as victoriously as everyone wished, in their own way, they succeeded. Winning only one game, our Flashes never lacked in "fight power." Hard breaks and bad luck, trailing them all season, never dampened their spirits. The devoted coaching staff did a fabulous job of motivating our Flashes to try their hardest regardless of the circumstances. The students of S.H.S. should be commended for their fine display of continuous school spirit. The Flashes knew we were behind them all the way.

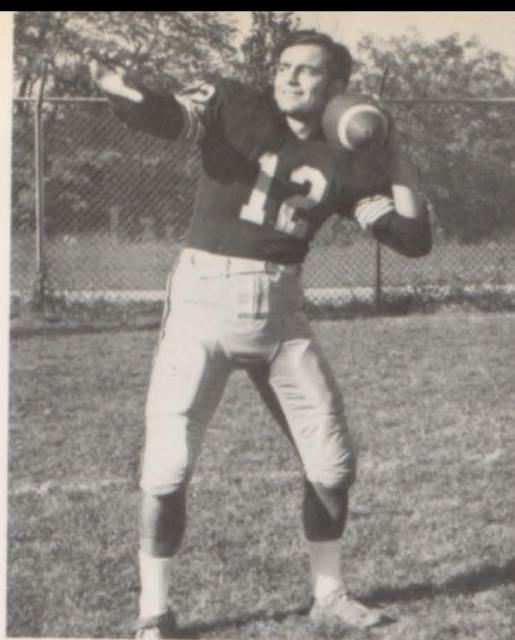

Plagued with injuries from the start of the season, our boys constantly gave their opponents a rough battle, losing two games by the scores of 7 - 6 to Yough and 14 - 12 to Jeannette and tying two games. Flashes, you'll always be in "first place" in our books.

Golf Team

Battles Through

Rough Season

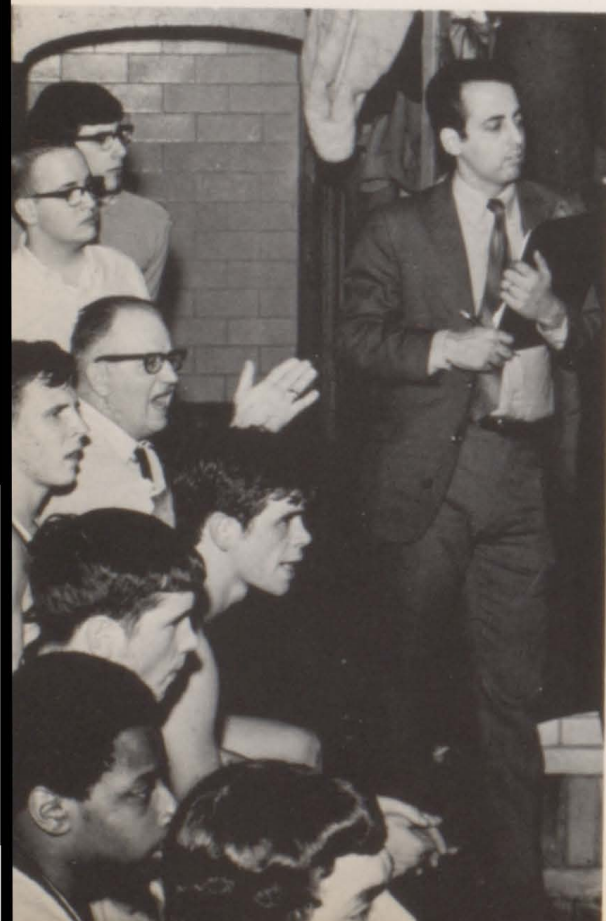

A new coach, Mr. Chris Arnold, led our golf team through another rough season this year. Swissvale competed against teams from the surrounding area, including Gateway, Penn Joint, and South Allegheny. A mere three points prevented our team from a victory over Gateway. The "top five" of our golf team this year were Dean Mantia, Ray Catone, Jim Fullen, Dan Repic, and Larry Kuzniewski. The entire nine men team should be commended for their excellent display of determination. Although our team did not emerge victoriously from the 1969 season, they are eagerly anticipating next year's competition with hope of a better season.

Team l. to r.—D. Repic, D. Mantia, L. Kuzniewski, J. Zak, P. Gifford, R. Catone, J. Fullen, T. Esposito, Coach, Mr. Arnold.

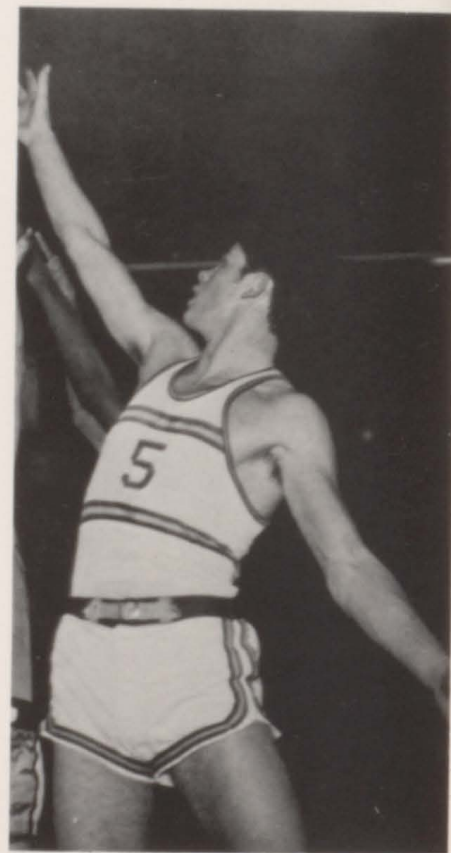

Will it be two more points for the good guys?
It seems that the other team brought the referees with them.

Stiff Competition Stops Swissvale

Varsity team kneeling l. to r.—B. Rudge, M. Dello-Stritto, J. Aducci, Co-Captain, M. Dillard, Co-Captain, D. O'Neill, J. Byrne. Standing—C. Lubay, L. Scales, J. Epps, R. Epps, J. Eisman.

This year the Swissvale Flashes entered a new section, 14-B, and engaged in some stiff competition. Among this year's opponents were Turtle Creek, Penn, and Ligonier. Our season record was not as favorable as we anticipated but the games that we won were well-earned victories. The main problem of the Flashes was not in height, as we had three starting players six feet or taller, but in the lack of experience of four out of the five starting players, who were all underclassmen. With a year of experience behind them, we hope next year's basketball team will progress to "bigger and better things."

That a boy, Pat, right over home plate!

Today Churchill, tomorrow the World Series!

Our fantastic baseball team should be congratulated for the great job they did in "finishing up front" in last year's final standing. They finished with an honorable record of seven wins and three losses, enabling them to achieve second place in Section II of the W.P.I.A.L. Conference. Our Flashes won "hard-fought" victories over teams from such large schools as Churchill and Wilkinsburg.

Mr. Richard Hudale's superior job of coaching was one of the main factors that made our Flashes a top contender for the league championship. Last year we finished in second place, but this year, who knows? . . . maybe we'll be Number One! One thing is for sure, "We'll try harder."

"Faked you out!"

Baseball team draws capacity crowd.

Meeting every Wednesday after school, our Bowling Club is comprised of some of the liveliest people in S.H.S. As each week passes, the competition grows fierce. Mr. Roebuck, the club sponsor, attends all matches and frequently bowls with the students. Trophies are awarded at the end of the year to the team with the best record, the individual with the highest single game and to the one with the highest series.

Beginning the season with a winning streak, our Chess Club achieved a favorable record of four wins and three losses. Captained by Tom Esposito and sponsored by Mr. Cramer, the boys have competed against such schools as Churchill, McKeesport, St. Anselm, Edgewood, Wilkinsburg, and Penn Hills. The boys in the Chess Club deserve a hearty congratulation for their display of sincere interest and we would like to wish them the best of luck next year.

Bowling Club *Sitting l. to r.*—D. Okorn, J. Maloney, D. Chianese, S. Wach, J. Novosel, J. Moskowsky, Mr. Roebuck, Sponsor, M. Hester, R. Bannis. *Standing*—R. Polito, R. Hairston, R. Gallowich, C. Novak, L. Getz.

Room 3

This is a rare photograph of the members of Room 3, within the room. Usually, they are spreading their wisdom to the four corners of the school or prying open their lockers. Room 3 has an academic record second to none, and although, the honor roll is modestly omitted from the board, it is one of the largest in the Senior class. Room 3 also scores high in leadership, having eight peo-

ple on Student Council, a Co-editor of the Valistic, an Editor of the Swissvalian, and many other members hold positions of merit in various school activities and sports. As members of Room 3, we wish to award the red badge of courage to two great home-room teachers Mrs. Miller, Mr. Carlberg, and to the future occupants of S. H. S., we hope the spirit which we leave behind will continue to motivate their lives, as it has ours.

We the Seniors of Room 7 would like to express our gratitude to all the teachers we have come in contact with. A special thanks is given to our three homeroom teachers who have displayed the utmost in patience these past three years. Our triumphs and sorrows have been many. One of our greatest sorrows was the loss of our fellow student, Skip Cannady. Within our homeroom

we've had representatives on the Prom, Sweetheart Ball, and Homecoming Courts, many club officers, an editor, a Swiss Miss, cast members, and football players. In our Senior year, we were the winners of the Christmas Contest. We hope we've contributed something worthwhile to S. H. S., for it will always remain in our memories.

The Seniors of Room 12 would like to express their gratitude to the three homeroom teachers who were always helpful and understanding, Mrs. Baily, Miss Rose, and Mrs. Politis. Our homeroom was represented in all three of the courts, Homecoming, Prom, and Sweetheart Ball. We had active play cast members and won the Christmas door decorating contest for two consecutive years. Also active in Student Govern-

ment, we've had a class officer and many Student Council members. Our talents were displayed through our golf, football, basketball, and baseball players and our cheerleaders and Swiss Misses. Editors of both the Swissvalian and the Valistic were represented. A final "thank-you" from all the students of Room 12 goes out to all that have aided them in their education.

We have many personalities who have made it a pleasure for each of us to walk into Room 11 and Room 13 every morning during our years at S. H. S. In our Room we have our Senior Class President, members of the play cast, talented students on the Valistic and Swissvalian staffs, and a Y-Teen member who was on the Sweetheart Court. We have students representing almost every club in S. H. S. We have proven

the "togetherness" of Room 13 by winning the Sophomore Girl's Volleyball Championship, the Valistic contest, and the drive for the G. A. R. Home. We couldn't have been the best Sophomore, Junior, and Senior homeroom without the understanding and guidance of our homeroom teachers, Mrs. Buehner and Miss Srdoch. Thank you both for making S. H. S. great.

Find your space age career right in your own back yard

You may associate the term "space age technology" with faraway places like Cape Kennedy, Oak Ridge and Los Alamos. But you'll find the same basic technology being used right here at home—at the Signal & Communications Div. of WABCO. We're working with the most advanced techniques to find better ways of transporting millions of people faster, with more safety and in greater comfort. Lasers, digital computers, micro-miniature components and other sophisticated equipment are used in our systems for speeding freight, controlling the flow of oil and gas in pipelines and automating urban mass transit.

Will you advance quickly? It's up to you. Our goods are being sold in stable, growing markets. So when you make a decision about your future, we urge you to first consider the opportunities at WABCO. You can learn while you work—our tuition refund program will help you earn an engineering degree.

We also offer the high school girl graduates excellent career opportunities in secretarial, clerical and laboratory technician work.

WABCO is known throughout the world for its accomplishments in the fast-growing fields of electronics and automation. We'd like to have you know our company and share in our growth. Come in and talk to us.

For our first two years at Swissvale High we were room 17, but we spent our Senior year as room 15. Although our room is small we have had many accomplishments within it. Our boys were the undefeated volleyball champs for three years while our girls were undisputable losers for three years. Howev-

er, the girls have made up for their unathletic ability by representing room 15 as members of the Prom Court, Homecoming Court, and Sweetheart Ball Queen. We would like to thank Mr. Stahl for making our accomplishments worth while and for helping us enjoy our three years at S. H. S.

Room 16 had a lot of laughs,
Copying homework, problems, and graphs.
The guys and gals had so much fun,
Playing intramural games we "sometimes"
won.
The morning announcements were seldom
heard,

With everyone talking you couldn't hear a
word.
"Bring in your excuse" was the motto of our
room,
If you forgot, Miss Sutter lowered the boom.
Just one last thing we'd like to say,
We'll remember 16 for the rest of our days.

In closing our book of memories: Why is the 1970 addition of the "Swissvalian" significant to you, our subscribers? We, the Swissvalian staff, hope it is not out of habit or in order for you to have a place for your classmate's autographs. We have worked long, hard nights to capture the history of the 1969-1970 school year; the happy as well as sad memories of our enthusiastic football season to the last parting "good-bye" at Graduation. As students, leaving to enter college or the business world, or returning next year, we hope the 1970 "Swissvalian" may help recall the enjoyment of your high school years. As faculty, leaving to other schools or returning next year, we hope we have portrayed the spirit of S. H. S. to a greater understanding of the students. In this, the fiftieth anniversary of the "Swissvalian", the staff wishes success to its parting Seniors, underclassmen, and faculty in the coming years.

To Mr. George Steward and the S. K. Smith Co. for our yearbook cover.

To Mr. Jim McWilliams, Publishing Representative from Foote and Davies Yearbook Co.

To Terrace Arcade Studios with special thanks to Joe Glagola and Joe Alcorn.

To Mrs. Ruth Buehner and her financial staff for their utmost patience and extra work in keeping the yearbook account accurate.

To Mrs. Eva Marie Pfeiffer for her many trips to and from Terrace Arcade Studios.

To Mrs. Nancy Haytock for greatly appreciated advice and much needed help given at all hours of the day.

To Sharon Cunic for her artwork.

To Joseph Fish for the use of his poem.

To Swissvale and area businesses for their advertising patronage.

To the faculty, students, and parents whose cooperation, patience, and patronage greatly helped us.

To Mrs. Sharon Young for her long hours of critical proofreading.

To Mr. Knestaut of the Rasbach Photo Service for underclass pictures.

To Mr. Jay Stivanson and Mr. Steve Vavra for picture taking, development, processing and printing.

To Mr. Harry Scheuch for his art supplies.

And lastly, to Mr. John Trice, our adviser, who, although was new to yearbook production, made our successful yearbook possible through his understanding and guidance.
